Flights to Paris from NYC

Travelers looking for the cheapest business class to Paris normally board their flight either from the John F. Kennedy International Airport (JFK) or the Newark Liberty International Airport (EWR).

These airports are prominent gateways to travel from the USA to Europe. The flight service is impeccable at these two airports. Overnight business class flights are highly recommended on these routes.

Business Flight Booking offers special, undisclosed deals from New York to Paris. From boarding to in-flight experience to landing in Paris, we make sure your business class journey brings you the best value for money.

How long is the flight from New York to Paris?

Another question that our flight booking specialists come across is: **how long is the flight from New York to Paris?** Let's answer this query, too!

The average flight time ranges between seven to eight hours, depending on whether the flight heads east or west. Jet streams affect the overall flight time. In any case, the journey is long, and an economy seat is not the right place for you when you want to travel comfortably.

You can use these long flight hours as an opportunity to unwind, relax, have a fine-dining experience, and even sip on a premium beverage or drink. Booking business class flights to Paris means the seven to eight-hour flight is now more of a retreat and less of a task.

What to Expect on Business Class Flights to Paris

You really need to fly business class if you think it's only a bigger seat and more legroom. Many other factors come into play, taking your business class Paris journey a notch above.

- **Priority boarding:** No more waiting in the long queues that never seem to move or end.
- **Spacious seating:** Reclining and lie-flat seats to help you relax.
- **Fine dining:** Michelin-star-level meals prepared by top chefs, with premium wines to make your meals more enjoyable.
- **Business lounges:** Access to the classiest of amenities and services like food, drinks, showers, and even spa treatments.
- **Personalized service:** A better crew-to-passenger ratio enhances your in-flight experience.
